Genealogy of

Ephraim E. Enzor
and wife Mercy *HESS Hess*

1786 to 1972

There are some links missing from the Ephraim E. and Mercy Enzors immediate childrens family line. We would like to follow up this family line, if possible to the Ensors or Enzors coming here to America from England between the 16th and 17th century. As soon as we have more information we will be happy to share it with you. As of now, please be patient with us and be happy with the

Genealogy of

David Hess Enzor
and wife Mary

1809 to 1972

The derivation of our reunion is from David Hess Enzor, the second son of Ephraim E. and Mercy Enzor.

It is the "Most Wonderful Reunion in the World."

The earliest known members of the Enzor families, that we have discovered that we can connect to our family line are Ephraim E. and wife Mercy Enzor. They both came from Maryland, presumably Baltimore or near Baltimore. Later moving to Springfield township, Huntingdon County Pennsylvania. Ephraim E. and Mercy was a young couple when they came to this territory. At this time we have no knowledge of their parents, only we have discovered the Ensor - Enzor families originally originated from England between the 16th and 17th century.

Ephraim E. Enzor was born July 29, 1786, died Oct. 26, 1864. Buried Eddy Cemetery, Bellefontaine Road, Troy Township, DeKalb County near Hamilton, Indiana. He was 78 years, 2 months and 27 days of age when he died.

His wife Mercy was born May 11, 1786, died Aug. 11, 1858. She is buried in the same cemetery beside her husband, she being 72 years and 3 months when she died.

Ephraim E. and Mercy Enzor were married about 1806. By 1830 their family of seven children, four daughters and three sons, was complete while living in Pennsylvania. Their children's names - date of births and to whom married will follow:

- (1808 - Mary E. married to William Charles Everetts)
- 1809 - David Hess married to Mary Gribble in 1833.
- 1812 - Stephen K. married to Margaret Gribble in 1836.
2nd wife - married to Rachael Hart in 1863
- 1815 - Susannah married to Rev. William Frederick Missildine in 1836. 2nd husband - married to William Courtright in 1851.
- 1820 - Sarah married to Stephen Haddix Dec. 15, 1842
- 1825 - Ephraim E., Jr. married to Cynthia ---? 1848
- 1830 - Honor married to Lorenzo Thurston.

(see note on page 7)

In the year of 1833 Ephraim E. and Mercy Enzor with their seven children and daughter-in-law, David Hess being married to Mary Gribble Enzor, migrated by covered wagon from Huntingdon County Pennsylvania to Huron County Ohio.

While enroute from Pennsylvania to Ohio at night, Nov. 13, 1833, the group witnessed the "Historical Phenomenon" of the "Falling Stars", when lights resembling stars were seen falling for three or four hours. The appearance was like a shower of stars.

In 1969 Charles Enzor was looking for information on the Enzor relatives in Pennsylvania. He found that the above Ephraim E. Enzor had paid taxes in 1832 and 1833 on 100 acres of land, a team (2) of horses and one cow. It was cancelled out in 1834.

The Enzors settled in Ruggles Township which was know in our time as the George Brubaker farm. Here is where they settled immediately after they arrived in Ohio, at least until Susannah, the fourth child of Ephraim E. and Mercy Enzor, was married in 1836 in Ruggles Township, Huron County, Ohio. Susannah married Rev. William Frederick Missildine, Baptist Minister. It is believed they were married by the grooms father, Rev. Robert Missildine.

Ruggles Township was transferred from Huron County to Ashland County in 1846 when Ashland County was erected.

In that same year 1836, Stephen K. and Margaret Gribble, sister of Mary Gribble Enzor, were married in Huron County with Rev. William Frederick Missildine, brother-in-law, officiating.

We believe that the Gribbles came to Ohio along with or soon after the Enzors, or perhaps even shortly before, and were living close by in Huron County.

We have a copy of a lease-rent contract which is on file at the Richland County courthouse, Mansfield, Ohio. It describes an agreement between Hugh Magire and Ephraim E. Enzor to lease-rent and clear a tract of land of 32 acres. The lease began in 1841 and expired five years later. Here are a few statements listed from the agreement:

Quote:

Memorandum of agreement made constituted and concluded by and between Hugh Magire of Blooming-grove Township, Richland County, Ohio of the one part and Ephraim Enzor of the same place of the other part. Witnesseth that the said Hugh Magire hath let lease and rented with the said Ephraim Enzor all that lot of land being known by the North East quarter of section twelve in the aforesaid township for the term of Five years from the first of April next for his own use for the aforesaid term for which the said Ephraim Enzor agree to clear off and fence thirty-two acres on the North end of the East half of said quarter and make the fence with eight good rails high and divide said lot in four equal fields and said improvement is to be done where the improvement now is and pail a garden six pannels square, ten feet each pannel and said Magire doth find the nails and said Enzor is to have all the wheat that is sowed on said place and have use of all necessary timber for the use of the place and further said Enzor all usual Tax on said land and further said Enzor is to sow one half of said place in wheat the last fall for his own use and to have the privilege of going on the place and take off his grain in peace and have a reasonable time to do the same.

End of quote:

There is more concerning the agreement but the above was copied exactly as the agreement was written. Here are a few more statements:

Quote:

The said Enzor is to take all the rail timber off the land which he hath do clear as far as it will reach and the balance to take where it will be the handiest to the part which will be needed and the said Enzor is not to destroy any timber nor suffer the same to be done Knowingly by only for the use of the place.

End of quote:

Ephraim had the privilege of making sugar. He could use two sugar kettles, one harrow, one plow, one windmill and one pot trammel. When he moved they were to be left on the place.

Magire had the privilege of planting as many fruit trees and where he wanted to plant them. Ephraim was supposed to take care of them. There was more to this agreement that I did not copy. The agreement was received March 2, 1841 and

recorded March 8, 1841 and sealed Feb. 16, 1841 before Ezekiel Chew, Justice of the Peace. The witnesses present were E. Chew and Joseph Meeks.

We assume this to be the only land transaction in which Ephraim E. participated while living in Ohio. As soon as the terms of the agreement were met the pioneer spirit of their forefathers overtook them. Ephraim E. and Mercy with some of their children packed their Conestoga wagon and migrated on to Indiana. We know David Hess and Stephen K. were left here in Ohio at that time. The Enzors arrived at their destination near Hamilton, Indiana on Oct. 26, 1845.

The pioneers were people of heroic virtues. The situation forbade much attention to other matters. They thought mostly of their work, clearing up the land and in founding homes. The active life of the men who made civilization possible had little time for educational pursuits. They made history, but they did not write it. They labored and toiled, not even thinking if their names would be mentioned in the pages of history. Their names have been mentioned and also the descriptions of the life they led, the good results, adventures and exploits of the men of the pioneer times.

On Nov. 16, 1845 Ephraim E. Enzor wrote a letter (Ephraim E. wrote the letters as his wife, Merch, could not read or write) to his son the David Hess family telling of their trip out to Indiana and the happenings after they arrived.

Ephraim said, " On our trip out we had good luck, the weather was fine and the cattle made the trip. The only trouble we had we broke a wagon tongue. On the 19th day out I shot the largest buck deer I ever shot. We arrived here Oct. 26, 1845, on Oct. 27th we looked for land and on Oct. 28, 1845 we went to Fort Wayne, Indiana and entered fifty dollars(\$50.00) in silver for forty acres of land. We soon bought forty acres more for two hundred dollars (\$200.00) from Esquire Fredrick C. Milson. We stayed with a family named Kelley until we could get settled in our own home. I can make \$.50 cents a day for work in trade. Wheat is worth \$1.50 for 100 pounds, pork is three to four cents a pound and beef is 2½ to 3 cents a pound."

The buck deer was shot west of Defiance, Ohio. It took in the neighborhood of twenty days to make the migratory trip from Ohio to the vicinity of Hamilton, Indiana.

Here is another letter written Aug. 24, 1858 by Stephen K. Enzor telling of the death of his Mother, Mercy. Stephen K. at this time had lost his wife Margaret Gribble Enzor and three of his nine children here in Ohio. They are buried at Bethel Cemetery. The four died within one year and four days, the last little girl Mary E. dying Aug. 29, 1854. He and his six children are now, at this time, living close to his parents in Indiana. In this letter Stephen K. is writing to David Hess, his brother here in Ohio. He said, "On Aug. 10 Mother had a high fever. She passed away on Saturday Aug. 14th. She just slept away." He also said he had sixty bushel of wheat, five acres corn and potatoes, seven sheep, eight cattle and some hogs, a new wagon and a colt.

At the close of their letters they signed all the names of the family sending the letter and signed all the names to whom the letters were sent.

Mercy Enzor, wife of Ephraim E. Enzor was 72 years, 3 months old. Buried in Eddy Cemetery under a large pine tree. Their stones are still readable.

From then on Ephraim E. Enzor lived alone. His daughter, Honor Thurston, was living next door to him. Susan now married to William Courtright, and with her son Robert, is living near by in the Courtright household. Ephraim E. Enzor died Oct. 26, 1864, six years, two months, fifteen days after his wife Mercy's death. They are buried side by side in the Eddy Cemetery, near Hamilton, Indiana. He being 78 years, 2 months, 27 days. The Eddy Cemetery is on the Bellefontaine, Indiana trail that extended from Bellefontaine, Ohio to the state of Michigan.

The estate of Ephraim E. Enzor was probated Sept. 2, 1866. Stephen K. Enzor was his administrator. The estate amounted to seventy three dollars and fifty nine cents (\$73.59). It was share and share alike. Each child or heir received \$10.51 and 2/7. We have the paper showing the final settlement, if you wish to see it.

These four Federal U. S. Censuses shows much about the history of the family of Ephraim E. and Mercy Enzor for their last forty (40) years of life.

The census of 1830 shows Ephraim Enzor was living in Springfield Township, Huntingdon County, Pennsylvania. It shows Ephraim E. as the head of the family. His family consisted of Mercy, three sons and four daughters.

Stephen K. Enzor was the third child of Ephraim E. and Mercy Enzor and was born in Springfield Township, Huntingdon County, Pennsylvania. He spent his childhood there.

As a young man he came with his parents and their siblings to Ohio. He was with the group who saw the "Historical Phenomenon of Falling Stars" on Nov. 13, 1833. He settled with his parents in Huron County, Ohio.

In the year of 1836 he married Margaret Gribble in Huron County, Ohio with Baptist minister, Rev. William Fredrick Missildine, brother-in-law officiating.

Stephen K. Enzor was a red haired, blue eyed, tall man. He had two wives and fourteen children, eleven children growing to adulthood.

Stephen K. Enzor was born June 18, 1812, died April 7, 1893. He is buried in Hamilton Cemetery, Hamilton, Indiana, lived to be 80 years 9 months and 19 days of age.

To this union was born nine children.

On Sept. 5, 1853, ten days after Margaret had given birth to Mary E., born Aug. 25, 1853, Margaret died. The same day that Mary E. was born, Miles, a son died. The following March 19, 1854, Stephen K.'s second eldest child, a son, died. He was Jahugh Enzor, born May 4, 1839 - 14 years, 10 months and 15 days of age at death. These are all buried in Bethel Cemetery, Richland County, Ohio.

In the year of 1858 the three eldest daughters, Mary J. was twenty, Sarah M. was sixteen, Susan was fourteen, were looking after the household of their father in De Kalb County near Hamilton, Indiana. He did not remarry until 1863. He then married Rachael Hart, a woman 24 years younger than he. To this union was born five children.

4. Sherman Enzor

Born in 1874 and died in 1955. His wife Mary Dickerhoof was living in 1971. Sherman Enzor is buried in Butler Cemetery. They had one son.

5. Emmett Enzor

Born in 1878 and date of death is unknown. He was never married. He is buried in Hamilton Cemetery, Indiana beside his parents, Stephen K. and Rachael Hart Enzor. He has no marker. A few years after the death of Stephen K. Enzor, his daughter Vanilla Hurraw had a marker placed on his grave telling the births and deaths of Stephen K. and Rachael Enzor.

Susannah (Susan) Enzor was the fourth child of Ephraim E. and Mercy Enzor. She was born in 1815 and died in 1869. Her first husband was William Fredrick Missildine who died in 1837. They had one son, Robert Ephraim Missildine. Susan's second husband was William Courtright. They were married in 1851 in Indiana. They had no children.

Susan was born in Springfield Township, Huntingdon County, Pennsylvania and came to Huron County, Ohio in 1835 with her parents and the group from Pennsylvania.

In the year of 1836 she married a Baptist minister, Rev. William Fredrick Missildine who ministered in and around Savannah, Ohio. They were subsequently transferred to Vermillion, Erie County, Ohio (then a part of Huron County) where he was the minister of the South Amherst Baptist Church and other small churches in that vicinity. His son, Robert Ephraim was born in Vermillion, Ohio in 1837. It is believed that the Rev. Missildine died a few months after the birth of his son of a kidney ailment. Susan and son then lived with her parents after his death. At least in the census of 1840 it shows that Susan and son Robert were living with Ephraim E. and Mercy Enzor here in Ohio. The census of 1850 shows she is still living with them in Indiana. The census of 1860 shows she had married William Courtright and living close by.

Robert Ephraim, son of Susan and Rev. William. F. Missildine was born in Vermillion, Ohio in 1837. In the year of 1870 he was in Pottawatomie County, Kansas living near his uncle Ephraim E. Enzor, Jr.. He was named after his two grandfathers Robert Missildine and Ephraim E. Enzor.

The life of Susan's first husband isn't connected with this genealogy, only we thought it was interesting. Rev. Missildine was first married in 1831 to Emily P. Grover in Medina County, Ohio. He was a young minister serving churches in and around Hinckley and Richfield. He was later transferred to Richland County, Ohio where he was pastor of the Mansfield Baptist Church in 1834 and 1835. While here his wife died and was buried in the old Olivesburg cemetery, just southeast of the church. She was born Sept. 15, 1811 and died Sept. 21, 1835. The marker is well preserved. Rev. Missildine had her marker marked thus:

"Sacred to the memory of Mrs. Emily P. G. consort of the Rev. W. F. Missildine who departed this life Sept. 21, 1835 Aged 24 years and 6 days. Write blessed are the dead that die in the Lord. Quote: Revelations 14 chapter 13th verse. On the footstone - In memory of E.P.G.M."

A more complete history will follow later. We have obtained a great amount of information from Mr. and Mrs. Elbert Missildine from Santa Ana, Calif. "Thanks a million Al and Florence." Elbert Missildine of Santa Ana, Calif. is the great grandson of Susan Enzor Missildine, Ephraim Thomas Enzor of Kansas City, Missouri is the great grandson of Ephraim E. Enzor, Jr. and Charles David Enzor is the great grandson of David Hess Enzor. They are all about the same age. Elbert was

born in August, Ephraim Thomas was born May 10th and Charles David was born April 26th, all born in the same year. We talked to both families. They are very interesting people to commune with. Ephraim E. Enzor, born 1786 was the great, great grandfather of all the three men named above.

Sarah Enzor was the fifth child of Ephraim E. and Mercy Enzor. She was born in 1820 in Springfield Township, Huntingdon County, Pennsylvania. She was thirteen years of age when with her parents and family migrated to Huron County, Ohio and settled in Ruggles Township.

Sarah and Stephen Haddix's marriage license is recorded in the Mansfield Courthouse. They were married Dec. 15, 1842.

We do not know if Sarah and Stephen moved out close to her parents to Indiana when they moved or if they followed them out later.

We believe they are buried at Edgerton, Ohio as their close ancestors are buried there. The four people named below are buried side by side in the Edgerton Cemetery, Edgerton, Ohio:

Adam Haddix 1862-1944, his wife Rhoadia Haddix 1863-1944.
Irvin Haddix 1884-1971, his wife Theresia Haddix 1894-1965.
Their ages respectively:

Adam - 82 years	Rhoadia - 81 Years
Irvin - 87 years	Theresia - 71 years

Ephraim E. Enzor, Jr. was the sixth child of Ephraim E. and Mercy Enzor. He was born in Springfield Township, Huntingdon County, Pennsylvania. He was born in the year of 1825 or 26. The census of 1830 in Springfield Township, Pennsylvania indicates he was born in 1825.

When a young lad he came with his parents etc. to Ruggles Township, Huron County, Ohio. In the year of 1845 he then moved again with his parents and sisters to DeKalb County, Indiana near the small town of Hamilton.

On July 27, 1848, while living in Indiana, he sent a letter to his brother and family, David Hess Enzor, in Ohio. He stated in the letter that he had been baptised July 1848, in the Disciple Christian Faith. He had bought 40 acres of land, joining his other land. something was mentioned about \$ 142. -- 6 years to pay and he had to pay at Fort Wayne, Indiana. He wrote he had 3 large trees to chop down on this land he had just bought. He wished someone in Ohio could come out and help him. He had cradled 24 acres of grain - 7 acres were his fathers. He mentioned he had 194

dozens of wheat. He meant he had 194 shocks of wheat with 12 sheaves or bundles of wheat in each shock. The shocks were set up in the field, in conical form, with the butt ends on the ground. Two sheaves were placed on top of the shock, to protect the other sheaves from the weather. These two sheaves were called cap sheaves or cap bundles. He also stated that the girls were wearing bustles now. He said he was soon to be married. He married Cynthia -- ?

In the Federal census of U. S. in the year 1870 for Pottawatomie Township, Pottawatomie County, Kansas, it shows Ephraim E. Enzor, Jr. was a native of that county. It is evident that he lived and was buried close to Westmoreland in Pottawatomie County, Kansas as some of his ancestors are buried there.

The following is just sketchy information of Ephraim E. Enzor II. Ephraim E., Jr. married Cynthia and had a son called Ephraim III. This Ephraim at one time was very wealthy. He married and had three children:

1. Ephraim IV
2. Ruth
3. Enon

Ephraim IV was about 18 years of age when he went out hunting, came home and placed the gun against the wagon wheel. It discharged and the load of the gun went through his arm and chest. It was an accidental death.

Ruth Enzor Cobb had red hair.

Enon Grant Enzor wore a beard and mustache. He died Sept 19, 1952 and is buried at Topeka, Kansas or Westmoreland, Kansas. His wife, Edith Kelly Enzor died June 30, 1929. She is buried in Oklahoma. Enon Grant Enzor's children:

1. Lori Enzor Love
2. Roscoe Grant Enzor
3. Ephraim Thomas V

This is the family we visited with in Kansas City, Missouri. We took pictures of him. His wife is Bessie Segrist Enzor. Her first husband was a banker. He was shot by robbers when they robbed the bank. The children are:

1. Verla Enzor Ireland
2. Lula Enzor Clark
3. Eona Enzor Kafton

They have grandsons names Ephraim and Stephen.

Honor Enzor was the seventh child of Ephraim E. and Mercy Enzor. She was born in the year 1830 in Springfield Township, Huntingdon County, Pennsylvania.

She was about three years of age when she came with her parents, brothers and sisters to Ruggles Township, Huron County, Ohio.

When her parents moved near Hamilton, Indiana in the year 1845, she moved with them. She married Alonzo Thurston while living in Indiana.

In the census of July 31, 1860 Fraklin Township, DeKalb County, Indiana it shows she was living next door to her father, Ephraim E. Enzor.

As we follow the line of Ensor and Enzor we find the name Honor - Honour and Onor mentioned different times. We believe her name to be spelled Honor as that is the way it is spelled on her grave stone.

She died in 1914 and is buried at Pleasant Hill Cemetery, Indiana.

In a letter written Nov. 12, 1848 and sent Nov. 23, 1848, by Ephraim and Mercy to David Hess and family Ephraim E. states that Jason wants to see Uncle Dave. Jason Thurston is connected with Honor Thurston someway. Jason was born 1845 and died in 1913. His wife, Sarah A. was born 1855 and died 1913. They are buried in Pleasant Hill Cemetery close by Honor Thurston's grave.

As of now this is about all the information we have on Honor Enzor Thurston.

At the present time we are working and communicating with Elbert and Florence Missildine in Santa Ana, Calif. to obtain more information concerning the Ephraim E. Enzor line. Also visiting and communicating with Mr. and Mrs. Barton Chilcote, funeral director at Attica, Ohio. Mr. Chilcote insists we Enzors and Ensors are of the same "litter". In the letter we received today on the Ensor line he states -Quote:"You are hooked up with this Ensor tribe but I'll be darned if I know how. I need help."

We are also following any other leads we come in contact with.

David Hess Enzor was the second child of Ephraim E. and Mercy Enzor. He had two brothers and four sisters. He was born in Springfield Township, Huntingdon County, Pennsylvania November 8, 1809 and died July 22, 1894 in Richland County, Ohio. He lived his childhood in the same township in which he was born.

He married Mary Gribble, a small lady in stature, April 4, 1833 while they were living in Pennsylvania. In the same year with his bride, parents, sisters and brothers he migrated by covered wagon from Huntingdon County, Penn. to Huron County, Ohio.

While enroute from Pennsylvania to Ohio, at night on November 13, 1833 they witnessed the "Historical Phenomenon of the Falling Stars".

We are of the opinion that David Hess and Mary lived with his parents, Ephraim E. and Mercy Enzor, for the first few years they were in Ohio.

In 1837 David Hess bought land of his own from Henry Lyons and established his own home. We believe that this deed covers the first land bought by any member of the Ephraim family in Ohio. We have a copy of this deed showing David Hess bought this land, consisting of 26½ acres. He paid \$175.00 for it.

Justice of the Peace, Aranson Sutton drew up the deed June 17, 1837. It was recorded November 8, 1837. It was located N. W. Quarter, Section 2, township 23 and range 18.

In 1852 he bought 40 acres from John J. Shupe, S. E. Quarter, Section 11, township 23, range 18.

In 1854 he bought 31 acres from Jane Smith, Butler Township. This land connected on to the land he bought in 1837, being in N. W. Quarter, Section 2, township 23, range 18. This is all recorded in Richland County.

In 1860 he bought 2.56 acres in 4 Greenwich, recorded in Norwalk, Ohio.

In 1864 he bought 11.93 acres in 1 Greenwich, recorded in Norwalk, Ohio. He could have bought more land but this is what we found recorded. In establishing his own home many hand tools were used. Charles has his great grandfather David Hess' broadax. It was used in hueing and finishing the timbers.

David Hess and Mary Enzor were the parents of 12 children. Eight children growing to adulthood and four children dying when young.

Those deceased:

1. Stephen Morell 1852 - 6 years, 10 months, 5 days
2. Mary Adeline 1849 - 1 year, 8 months, 16 days
3. Andrew 1855 - 15 days old
4. Twin to Andrew 1855 - Born dead

David Hess' chief occupation was farming. Most of his land was three miles south of Route 224 on Route 13. It was situated on both sides of the road.

As previously stated, he was a farmer. He was a well self educated man. As a young man, while living in Pennsylvania, he taught school. He wrote his own arithmetic books from which he taught. He was a beautiful writer.

We saw the contract of the agreement of which he should abide while teaching and the amount to be paid for each pupil.

He kept everything in his "Account Journal" even to the names of his children. *David H. (8)*

He also taught after arriving in Ohio. The history book he taught from was "Hales Premium History of the United States". It started with the first settlement of the colonies to the close of the war with Great Britain in 1815. The book was published in Cincinnati, Ohio in 1843 by E. Morgan and Co.

David Hess and wife Mary were industrious in their day and reared their children to industrious habits.

Mr. and Mrs. Enzor were members of the Christian Church and were baptized by immersion, by Elder John Reed, a pioneer preacher of the Christian faith, a Winebrennerian Church. A Winebrennerian Church is a Church of God. It was located at the Bethel Cemetery. Elder Reed often held services at the Enzor home.

In politics, Mr. Enzor was a Democrat, and believed in the doctrine of Thomas Jefferson that, "That government is best that governs least."

The success of David Hess, financially and otherwise is a compliment to his exertions and ability. The fact that he had gained the respect and confidence of the community is accounted for by his right principals and his interest in the welfare of those around him. He had a strictly honorable business record and was noted for his fair dealings with all whom he had business relations. He was truly a self-made man and energy and perseverance are no better illustrated than in his career.

The first Federal Census of the United States was taken in 1790. We will list the Federal Censuses showing various stages of the history of the David Hess family.

In the year 1840 he lived in Bloominggrove Township, Richland County, Ohio. David Hess, age 30, wife Mary age 26, two sons and two daughters.

On August 4, 1850 Butler Township, postoffice - Olivesburg, Ohio. David Hess 40 years, wife Mary 36 years, five sons and two daughters. Real estate value \$900.00. Shows both David Hess and Mary were born in Pennsylvania.

On June 30, 1860 Butler Township, David Hess 50 years and wife Mary 46 years, four sons and two daughters. Stephen Morell had died at 6 years, 10 months, 5 days. Real estate value \$9,000. Personal property \$1,000.

On August 22, 1870 Butler Township, post office Adams, David Hess age 60 wife Mary age 56, two sons and two daughters. Real estate value \$7,000. Personal property \$1200.

On Feb. 13, 1880 Butler Township David Hess age 70, wife Mary age 66. All the children had now married and left home. This census tells that Ephraim E. and wife Mercy were born in Maryland.

John Ida Enzor, eldest child of David Hess and Mary Enzor, Married Elizabeth Meeks in Richland County, Ohio in the year of 1859. They were parents of 12 children, nine growing to adulthood.

Those deceased:

1. Clement M., Born Dec. 6, 1865, Died Dec. 12, 1865 at the age of 6 days.
2. Mary J., Born Oct. 4, 1871, Died Dec. 6, 1872 at the age of 1 Year, 2 Months and 14 Days.
3. Minnie, Born June 24, 1876, Died July 8, 1877 at the age of 1 Year and 14 Days.

In the spring of 1870 with their 5 living children, they moved by covered wagon to the state of Kansas to stake a claim.

They settled in Westmoreland in Pottawatomie Township, Pottawatomie County, Kansas.

In the U. S. Federal census of 1870 they were living near their uncle Ephraim E. Enzor and cousin Robert Missildine in Kansas. They lived there until the fall of 1875.

The story related to us told of their many hardships and the life they endured while in Kansas. Some of the hardships were: the storms, the winds, the underground shelter cellars, the Indians and the grasshopper plague.

The "scouts", who rode ahead of the covered wagon to find the roads, passageways over rivers, and watch for Indians were really their two eldest sons, Ezra (Ed) and George B. Enzor.

For three consecutive years the grasshoppers came. The sky was so filled with them, the people could not even see the sun for days. They ate all the crops, trees, leaves, grass - all vegetation - even the cornstalks clear down to the soil. The family became so discouraged trying to eke out a living on the land and finally in the fall of 1875 came home to Ohio.

While in Kansas two children were born:

Mary J., Born Oct. 4, 1871, Died Dec. 6, 1872. She is buried somewhere near Westmoreland, Kansas.

Peter Collin, Born Jan. 9, 1874 and lived to return to Ohio with the family.

Elizabeth, the wife of John Ida, was a large strong lady. As an example given to us; at auction sales the men and boys would gather in sheds etc. They used a half bushel measure, which is smaller in diameter than a bushel measure. They placed both feet in the half bushel measure - lean over and pick up a two bushel sack of wheat, which weighed 120 pounds, and throw the sack of wheat over their shoulder. All the men could not do this. Elizabeth, John's wife, stepped into the measure - picked up the sack of wheat, and threw it over her shoulder easier than most of the men. This gentleman said, "She was as strong as an ox!"

The federal censuses of the United States, in the years 1860, 1870 and 1880, lists John Ida Enzor as the head of his household. On June 29, 1860 he lived in Butler Township, Richland County, Ohio. John Ida - 26 Years, Elizabeth, 19 Years, One son, Ezra, Postoffice Olivesburg, Ohio. Value of real estate \$1,000., Value personal property \$200.

On July 18, 1870 he lived in Pottawatomie Township, Pottawatomie County, Kansas. John Ida - 36 Years, Elizabeth - 28 Years, Three sons and two daughters, Postoffice Manhattan, Kansas, Value personal property \$300. No value of real estate given.

In the year 1880, Feb. 13th, he lived in Butler Township, Richland County, Ohio. John Ida - 46 Years, Elizabeth - 39 Years, Three sons and two daughters. No value of real estate or personal property were given. It lists David Hess and Mary Enzor as being born in Pennsylvania, also John Ida and wife Elizabeth were born in Ohio.

In all these censuses the husband is listed as "Farmer". The wife is listed as "Keeps House", the girls are listed as "No Occupation", the boys out of school are listed as "Farm Laborers".

It also shows the children of David Hess and Mary Enzor were all born in Ohio.

OBITUARY

David S. Enzor, son of D. H. and Mary Enzor was born March 21, 1843 in Butler Township, Richland county, and departed this life April 1, 1922, aged 79 years and 10 days. The -- of his life except while in his country's service and two years in Greenwich, was lived near his birthplace.

On June 18, 1877 he was united in ^C Katherine Christee to which union were born eight children.

During the Civil War he served with the 20th Ohio and has always been held in the greatest esteem by his comrades.

He was a devoted husband and father. About twenty-five years ago he united with the Christian church of Greenwich of which he was an honored member at the time of his death.

He was a great lover of the Bible and read it constantly. Not only did he read it, but tried ever to carry out its teachings and precepts. He was always ready to help those who needed his assistance.

Mr. Enzor was confined to his home for many months and bore his sufferings with Christian fortitude. During this time he has been tenderly waited on and cared for by his faithful and loving wife and children each one vying with the others in their kind attentions.

He leaves to mourn his departure his bereaved wife, and five children: J. A. Enzor, B. H. Enzor, M. R. Enzor, R. B. Enzor and Mrs. M. B. Yeager, three children having died in infancy, one brother H. A. Enzor, two sisters, Mrs. A. Meek, of Hicksville, Ohio and Mrs. Sturts of Mansfield, Ohio, also 15 grandchildren together with a number of nephews and nieces, and other relatives and friends.

On the Ressurrection morn.

CARD OF THANKS

We wish to thank all of those who in any way assisted during the death and burial of our belived husband and father, especially the American Legion boys who acted as pallbearers, the singers; also Mrs. Goodacre and Rev. Joel and for the floral offerings.

Mrs. David Enzor and Family

We obtained this obituary from Aunt Leola Enzor, widow of Stephen Morell Enzor.

David S. Enzor, born March 21, 1843, as we thought it to be, is not David S. but really is David Hess. He was named after his father David Hess, born Nov. 8, 1809. Our references are:

In David Hess' (born 1809) Bible he listed all his children's names and dates of births and deaths.

Also in his Account Journal, which was kept in Pennsylvania and Ohio he listed them again.

All important material such as the census David H. (S.) was listed as David H. Enzor and not David S. David Hess Enzor is written like this - David He^s Enzor. This comes from the Pennsylvania Dutch system of writing the double "s" letter.

This is the way David Hess Enzor wrote Hess in his Bible and Account Journal - He^s. *Hess*

From now on it will be written David H. (S.)

That said William Stimpfe went with his regiment on the march up the Yazoo River, and Affiant says that said Stimpfe was overcome by exposure and had service on this march and became sick, and shortly after the army returned to Vicksburg, Stimpfe became entirely unable to do duty from his sickness and went to the Hospital. The last of June 1863, said Stimpfe was able to do duty in the army after that and was discharged the middle of July 1863. Affiant says that he has lived 1 1/2 miles from said Stimpfe since 1863, and has seen him frequently. Said Stimpfe has a large family and is afflicted with an affection of the stomach, so that he has given up all his former business and is now living on a farm. Affiant further declared that he has no interest in said claim, and is not concerned in its prosecution.

DEPOSITION

B.

Case of William Strimple, No. 523968.

On this 30th day of May, 1889, at
 miles E. of Greenwich, County of Hiram,
 State of Ohio, before me, A. J. Agnew,
 Special Examiner of the Pension Office, personally appeared David Enzor,

who, being by me first duly sworn to answer
 only all interrogatories propounded to him during this Special Examination of aforesaid
 pension claim, deposes and says: My age is 46. residence P.O.
 as above. occupation farmer. I have lived in
 this locality all my life. I was a private
 in Co C of 20th O.V.I. I was drafted & joined
 the Co. about Oct 8th 1862. & was discharged
 about July 8th 1863. aticksburg. Miss. & was
 with the Co all the time till after we came back
 from the Yazoo March. I was taken sick but was not
 in the hospital. I am a pensioner at \$8. for heart
 disease. I know the Clint Strimple from
 boyhood. I don't remember of Clint being sick any
 before he enlisted. we lived about 2 miles apart.
 & am not positive that we ever worked together
 our army service. We were drafted at the same
 time. I think at the time we even inspected
 for muster that we only took our coats &
 vests off. My recollection is that Clint before
 at the time of his enlistment was a healthy
 able bodied man. The first that I knew of
 his being sick or disabled was during the
 siege oficksburg. during the latter part
 of May or the fore part of June 1863.

He appeared to be wore out & run down
 with the diarrhea. He went to the hospital
 about that time. & while there I did not see
 him. but when he came back to the Co. a
 few days before our discharge, he was
 poorly he looked hard. seemed to be weak
 & run down from the Camp diarrhea. & there
 might have been other things the matter of
 such that I don't recall. as near as I

111.
remember he had some kind of a fever
while in the hospital. We were discharged
& came home together. As near as I can tell
he was weak & debilitated from the result
of fever & diarrhea. After he got home
he seemed to recruit & regain his health
& since then I have seen him frequently.
Don't remember that we have ever worked together.

He has always complained of a throat
complaint, which he claims was caused by the
fever he had in the hospital, & that he wasn't
well & wasn't tough. I think he was troubled
for a while with diarrhea after his discharge
& that then ~~to~~ he got better of that. & of
late years. think he has told me of
something being the matter of his head
since you speak of it. Don't remember
about his being sick in 1875. but think he
has told me about Dr. Reynolds doctoring
him for a spell of sickness then.

From what he has told me, with his appearance
& actions, think he has been $\frac{1}{2}$ disabled for
labor, on an average, each year, since his
discharge. Don't think I heard him complain
of his throat or head prior to 10 or 12 years ago
& since that, it has seemed to be his principal
trouble. After hearing the affidavit signed by
me in this case, Nov 20, 1884, it is erroneous in
making me say that Strimply had been afflicted
with an affection of the throat since 1863.

I did not write the affidavit, & if read to me
at the time I did not fully understand the purport
of it. I am not related nor interested in the
prosecution of this claim.

I understood the questions, & my answers
are correctly recorded in this deposition.

David Fox

Subscribed and sworn to before me this 30th day of May
1889, and I certify that the contents were fully made known to defendant before signing.
